**Applicable Exemption****30 ILCS 500/1-13 (b) Subsection (check one):**

- (1) Memberships in professional, academic, research, or athletic organizations on behalf of a public institution of higher education, an employee of a public institution of higher education, or a student at a public institution of higher education.
- (2) Procurement expenditures for events or activities paid for exclusively by revenues generated by the event or activity, gifts or donations for the event or activity, private grants, or any combination thereof.
- (3) Procurement expenditures for events or activities for which the use of specific vendors is mandated or identified by the sponsor of the event or activity, provided that the sponsor is providing a majority of the funding for the event or activity.
- (4) Procurement expenditures necessary to provide athletic, artistic or musical services, performances, events or productions by or for a public institution of higher education.
- (5) Procurement expenditures for periodicals, books, subscriptions, database licenses, and other publications procured for use by a university library or academic department, except for expenditures related to procuring textbooks for student use or materials for resale or rental.
- (6) Procurement expenditures for placement of students in externships, practicums, field experiences, and for medical residencies and rotations.
- (7) Contracts for programming and broadcast license rights for university-operated radio and television stations.
- (8) Procurement expenditures necessary to perform sponsored research and other sponsored activities under grants and contracts funded by the sponsor or by sources other than State appropriations.
- (9) Contracts with a foreign entity for research or educational activities, provided that the foreign entity either does not maintain an office in the United States or is the sole source of the service or product.
- (10) Procurement expenditures for any ongoing software license or maintenance agreement or competitively solicited software purchase, when the software, license, or maintenance agreement is available through only the software creator or its manufacturer and not a reseller.
- (11) Procurement expenditures incurred outside of the United States for the recruitment of international students.
- (12) Exempts procurement expenditures for contracts entered into under the Public University Energy Conservation Act.
- (13) Exempts procurement expenditures for advertising purchased directly from a media station or the owner of the station for distribution of advertising.
- (b5) Except as provided in this subsection, the provisions of this Code shall not apply to contracts for medical supplies or to contracts for medical services necessary for the delivery of care and treatment at medical, dental, pharmaceutical, or veterinary teaching facilities used by Southern Illinois University or the University of Illinois or at any university-operated health care center or dispensary that provides care, treatment, and medications for students, faculty, and staff.

Furthermore, the provisions of this Code do not apply to the procurement by such a facility of any additional supplies or services that the operator of the facility deems necessary for the effective use and functioning of the medical supplies or services that are otherwise exempt from this Code under this subsection (b-5), including, but not limited to, procurements necessary for compliance and management of federal programs.

- (b10) Procurements made by or on behalf of the University of Illinois for investment services may be entered into or renewed without being subject to the requirements of this Code. Notice of intent to renew a contract shall be published in the Illinois Public Higher Education Procurement Bulletin at least 14 days prior to the execution of a renewal, and the University of Illinois shall hold a public hearing for interested parties to provide public comment. Any contract extended, renewed, or entered pursuant to this exception shall be published in the Illinois Public Higher Education Procurement Bulletin within 5 days of contract execution.
- (b25) This Code shall apply regardless of the source of the funds with which the contracts are paid, including federal assistance moneys.

This Code shall not apply to:

(25) Procurements that are necessary for increasing the recruitment and retention of State employees, particularly minority candidates for employment, including:

(A) procurements related to registration fees for job fairs and other outreach and recruitment events;

(B) production of recruitment materials; and

(C) other services related to recruitment and retention of State employees.

The exemption under this paragraph (25) applies only if the State agency has made a good faith determination that it is necessary and appropriate for the expenditure to fall within this paragraph (25). The procurement process under this paragraph (25) shall be conducted in a manner substantially in accordance with the requirements of Sections 20-160 and 25-60 and Article 50 of this Code. A copy of these contracts shall be made available to the Chief Procurement Officer immediately upon request. Nothing in this paragraph (25) authorizes the replacement or diminishment of State responsibilities in hiring or the positions that effectuate that hiring. This paragraph (25) is inoperative on and after June 30, 2029.

- (c) Procurements made by or on behalf of public institutions of higher education for the fulfillment of a grant shall be made in accordance with the requirements of this Code to the extent practical; waiver of contract, registration, certification, or hearing requirements may be requested if effort was made in good faith to comply with the Code.
